

# Charles River Cleanup

## April 24, 2010

Groups participating in riverfront areas in  
Newton, northern section of Needham,  
Wellesley and Weston

(areas organized by the City of Newton)

# Friends of Hemlock Gorge Reservation Volunteers

# Hemlock Gorge Reservation

Dedicated volunteer along the road shoulder (left). DCR staff (Erica) with trash truck (above)

# Volunteers at Boulevard Rd in Wellesley

In search of trash (above).  
Keep the litter out of our river! I am  
going catch something interesting in  
this net!" (on left)

# Bucknell University Alumni Volunteer group working along Quinobequin Rd

# Volunteers along Quinobequin Rd

# Volunteers from West Newton

# Volunteers from NNHS and West Newton neighborhood

## Other Volunteer Groups not pictured:

- Newton Country Day School cleaned up Nahanton Park and Riverfront area
- Norumbega Fraternity Lodge cleaned up Mill Park
- Wellesley Natural Resources Council & Residents cleaned up Riverfront areas in Wellesley
- Hotel Indigo cleaned up Riverside Park
- Dana Hall School and Boston Cares cleaned up Norumbega Park area at Weston / Newton Line
- First Unitarian Society of Newton cleaned up the Charles River Path along California Street
- Ward Elementary School also at Charles River Path

We didn't just make the river cleaner, we made it safer. Plastic bags and other litter in the Charles can reach the ocean, where it's harmful to sea turtles and other creatures. River wildlife is also at risk.

Help us keep it clean and safe for everyone.
